

Create Your Own Season!™

FREE Project Idea

Illuminated Frame

Supplies

- Unfinished Wood Frame Shadowbox
- Claudine Hellmuth Spa Blue Paint or acrylic paint of your choice.
- Mod Podge
- Acrylic Paint
- Decorative Metal Trim
- Velcro
- Moonlights or Battery Operated LED Lights
- Tape
- E-6000
- Scissors
- Paintbrush

Directions

1. Before you begin, you will need to find a favorite image or words to use for this project.
2. Put masking tape over the glass to protect it from paint.
3. Paint the entire box and metal trim in black.
4. Mix 2 parts of Spa Blue paint with 1 part water and paint one coat on the box and metal trim.
5. Set them aside to let dry. Repeat until you get the desired color intensity.
6. Take the image you want to display inside the box and cut it to fit inside.
7. Remove the masking tape from the glass. Clean off any paint that may have gotten through the tape.

8. Tape the image to the inside of the frame against the glass.
9. Coil moonlights or LED lights into the frame. Leave a little bit of the wire outside of the box, close and seal lid.
10. Tape wire in place against the back of the frame.
11. Secure battery pack to the back of the frame with sticky back Velcro.
12. Use tissue tape to add texture and dimension on the front of the glass.
13. Glue the metal trip to the top of the frame with E-6000.
14. Clamp or rest a heavy book onto the metal trim to help secure it to the wood.

Allow your project to dry overnight before displaying.
