Supplies

- Paper Mache Cone
- Unfinished Wooden Candlestick
- Twine
- Unfinished Wooden Stars
- Distress Ink Pad
- Hot Glue Gun
- E-6000
- Acrylic Paint
- Scissors

Directions

1. Apply glue to the top of the paper cone to adhere an end of the twine to it.
2. Slowly wrap the twine around the paper cone, applying glue to various areas to keep it in place as you go.
3. Continue wrapping the twine around the paper cone until it is completely covered.
4. When you get to the end, use the scissors to cut the twine and apply glue to secure the end to the paper cone.

This next step can get a little messy, so we recommend that you wear gloves.

5. Rub the tops of the wooden stars across the ink pad to dye them.
