

# Create Your Own Season!®

## FREE Project Idea

### Valentine Vase

#### Supplies

- Vase
- Artificial Flowers
- Conversation Candy Hearts or any candy of your choice.
- Ribbon
- Scissors

#### Directions

The amount of candy hearts depends on the size of the vase and what look you want to create. You can completely fill an entire vase or have a couple of inches of hearts on the bottom of the vase.

1. Adding ribbon to the vase is optional because it depends on the type of vase you are using. If you can and would like to have ribbon, wrap the ribbon around the desired area of the vase.
2. Place the candy inside of the vase.
3. Arrange the flowers in the vase.

Now, it's ready to display!
