Washi Tape Cork Board

Supplies

- Craft Cork Board
- Washi Tape in the color of your choice.
- Vinyl Lettering "keep calm and get your craft on" or any vinyl of your choice.
- Thumbtacks
- Acrylic Paint
- Scissors
- Foam Brush

Directions

1. Using the foam brush, apply paint in the color of your choice to the outer edges of the cork board frame.
2. Set it aside to let dry.
3. Measure and cut washi tape to adhere to the edges of the frame.

To get a clean look at the corners, make diagonal cuts to make the strips meet rather than overlap.

4. Peel off the backing of the vinyl and adhere onto the cork.
5. Cut small circles from the Washi Tape to adhere to the thumbtacks. Feel free to add any other embellishments to the cork board. Now, it's ready to use!
