April Is National Garden Month

Did you know you can re-grow celery from the stock? Take the base from a stalk of celery, rinse it, and put it in a shallow cup of warm water on a window sill. Change the water daily and keep an eye on it to see if any regrowth begins, then plant it in dirt.

Repurpose a hanging wood plaque and candlestick holders into a beautiful custom hand embroidered fabric covered footstool.

Sale Valid Friday, April 5 - Mon. April 22, 2024
