Date:	October 24, 2023	Min/Max:	3-6
Time:	3:00 – 6:30	Skill Level:	Intermediate to Advanced

Class Description/Outline: Come make some cards with Pearl. This is a surprise class – may include fall, winter – let's just have some fun and get those creative juices flowing. I use copic alcohol markers when coloring images and I will provide a list of those that I used by separate e-mail prior to class. You will use your own coloring tools in the class but water-based markers will not work with the stamped images. Most of the die cutting will be done for you but there will be some limited die cutting and stamping to do. Below are some samples of cards from previous classes as an example of the quality of cards you will come away with from this class.

Supplies Required: (Not all will be used in every class but this is my standard supply list:

- Your standard paper crafting supplies including small scissors for cutting out images, a bone folder, craft tweezers, card adhesive such as Tombow mono-adhesive runner, glue dots, foam pop-ups, a two-way Zig glue squeeze and roll glue pen or similar liquid glue such as Lawn Fawn or Art Glitter, various widths of two sided scor tape, Scotch double-sided foam tape or similar rigid foam tape. I often use 1/8" wide double-sided foam tape also.
- Wink of Stella glitter brush – clear.
- Diamond Stickles.
- Foam finger daubers and blending brushes, Signo white gel pen.
