Class Description/Outline:

Come make this quick t-shirt for summer! This loose fitting t-shirt is made from woven fabrics and is perfect for learning the basics of garment sewing. In this class, you'll learn how to sew darts, side seams, hems and add a facing. The size options range from 00-30. This class is perfect for someone who is ready to try sewing their own clothes!

Supplies Required:

- Pattern pieces, available at <https://www.seamwork.com/pdf-sewing-patterns/hansie-easy-woven-t-shirt>. This is a free pattern. Please print and assemble the pattern prior to class. We will cut fabric in class. If you need assistance assembling the pattern, please arrive to class 15-20 minutes early.
- 1 - 2 ¼ yards of woven fabric. The amount you need will depend on the size you choose to make. Please note that 45" width fabric will also require more than 60" width fabric. Fabrics such as linen, chambray and lawn are recommended.
- 3/8 yard light to mid weight fusible interfacing (I recommend Pellon SF 101).
- Coordinating thread
- Fabric scissors (I recommend bringing both large scissors for cutting the fabric and small scissors to clip seams).
- Pins or clips
- Sewing machine in good working order
- 1 – 2 yards of BanRol (Highly recommended, but not required)

Out of respect for instructors and other students who may suffer from allergies and sensitivities, please refrain from the use of perfumes or other heavily scented products on your class day. Thanks so much!
