Let There Be Light Quilt Instructor: Connie Berner

Supply List:

- Let There Be Light quilt pattern by Jennifer Long. The pattern lists the exact fabrics used in the picture on the pattern. It is from the fabric line 'Created With Love' by Jennifer Long. The fabric requirements listed below are to be used for your own choice of fabrics.
- 10" x 10" square of 4 different fabrics for the sun/rays
- 10" x 10" square of 3 different fabrics for the stars
- Fat Quarters of 4 different golds for the daytime fabrics
- Fat Quarters of 6 different blues for the nighttime fabrics
- 5/8 yard of dark blue for the night fabric and binding
- 2 ¾ yards for backing
- 5/8 yard lightweight fusible web (20" wide). I used Steam-a-Seam 2 Lite.
- Rotary Cutter
- Cutting mat. I highly recommend you bring a rotating mat. It simplifies squaring a lot.
- Acrylic rulers
 - o 5.5" x 5.5" square ruler
 - o 2.5"x12.5" ruler, or something that is similar to that size.
- Fabric marking pen or pencil.
- Sewing Machine, thread, seam ripper, pencil, pins, pincushion, and any other sewing supplies you like to use. If you bring a small travel iron and pressing pad, it will simplify things for you. Ben Franklin also has irons and ironing boards available for you to use.
- If you have a lightbox, bring it.

IMPORTANT PREP BEFORE CLASS:

- There are templates in the pattern. Make a copy of them and bring them to class. I like to use cardstock when making templates. There are instructions on making a full circle template. If you can, do so. If it is confusing, I will have a circle template in class for you to use.
- It would be helpful if you can cut the 6" x 6" squares from the fabric listed on pages 4 and 5. Don't cut out any of the fabric that uses templates (those are the sun and moon fabrics). We will cut those in class.
- You can also cut the 4" x 4" squares from the fabrics you use for the stars.

NOTE ON PRE-WASHING FABRIC: Pre-washing is a personal choice. Pre-washed fabrics will lay flatter after the quilt is washed. Fabrics that are not pre-washed will have more of a textured look to them after being washed. Personally, I rarely pre-wash anything, unless doing garment construction. **COUPON:** Stop by our customer service desk to pick up your coupon that will go towards your purchases for the class.
