Whatevers! Intro to Collage Quilting Instructor: Connie Berner

Supply List:

- Whatevers! #37 Flower Truck Pattern.
- Whatevers! #37 Flower Truck Kit.
- $\frac{3}{4}$ yard of 12" Steam a Seam 2. Do not purchase the Lite version.
- #2 Pencil and a white chalk marking pencil
- A pair of tweezers or a sharp ended tool, such as a toothpick or awl.
- Karen K. Buckley Medium Perfect Scissors. (Yes, you really will want these. They leave a clean edge and prevent fraying. They have serrated blades).
- An Applique Fusing Mat. I recommend Precision Fusing Mat or a similar mat that you can see through. This is not optional. You cannot make the project without this. The mats come in different sizes. A 12" x 12" inch mat is large enough for this project, but if you plan on doing larger collage projects, I recommend getting the 17" x 24" size.
- Rotary cutter, mat and ruler
- A regular pair of scissors
- You may want to bring your personal iron and small ironing surface. We will have irons there, but there is a lot of iron use in this class.
- Bring a zip-lock bag. This is a good place to store your fussy cut fabrics.
- Optional: A little bag or receptacle for garbage/scrap
- Optional: A lightbox. The transparent applique sheet lets you see the pattern clearly through it, but if you like a lot of light, you may enjoy having a lightbox under your project as you work.
- Note: You do not need your sewing machine for this class. Yes, this is true!
