You Can Always Make Friends: Doll-Making Workshop Instructor: Annika Elizabeth

Supply List:

- Scissors for cutting fabric, yarn and thread.
- Sewing needle(s)
- One piece of Wool Felt
- One solid-color or small-print fat quarter

Note: Wool and Felt will be used to craft the dolls clothing. Feel free to get creative and explore your ideas!

In this class we will:

- *Learn how to make the doll's body.
- *Techniques for attaching hair, hats, braids, and you can bring your own techniques to the table as well!
- *We'll learn how to design simple clothes by hand sewing, crocheting, or knitting, depending on your skill sets.

You'll take home: one finished doll, and one doll body that you'll need to felt at home in the washer for a later creation.

Optional Supplies list:

- *Small double point needles for sock weight, sport or worsted weight yarn, or small crochet hooks if you want to use yarn for clothing.
- * yarn of your choice for hair and clothes.
- *fabric scraps for clothing.
- *ribbon or other embellishments you may want to add.
- *thread colors for sewing clothes, hair, eyes and lips.
- *hot glue gun, fabric glue, or super glue if you want to do less sewing. I will not have these items, but are fine to utilize.

I will have an eclectic selection of supplies, including various skin tones, and you can come with just scissors and a few sewing needles.

The fabrics and yarns will vary, so if you have ideas brewing, it wouldn't hurt to browse the fabric department for yarns and fabric fat quarters before coming to class.
