Mini Bloomberg Drawstring Bag

Instructor: Connie Berner

Supply List:

- Mini Bloomberg Drawstring Bag Pattern by Chrissy Lux of Branch & Blume
- 2 Fat Sixteenths (flower petals)
- 2 Fat Sixteenths (flower center)
- 1/3 yard exterior
- 1/3 yard lining
- 14" x 32" fusible fleece
- 2 yards twill tape or cording
- Rotary Cutter
- Cutting mat. A rotating mat works well for this project, if you have one. It will simplify squaring the flower block. Ben Franklin also has cutting mats.
- Acrylic ruler. You will need one that is at least 12" long. A longer ruler will work fine, too. Ben Franklin has rulers you can use, too.
- Fabric marker
- Applique pressing sheet. This is needed to use when you fuse your fabric to the fusible fleece. I will also have one at class that you can use.
- Darning foot for free motion quilting.
- Optional: Walking foot. This will help a lot if you have one.
- Optional: quilting gloves. Some quilters like to use these to have a better hold on the fabric during quilting.
- Thread for top-stitching and quilting the bag.
- Sewing Machine, thread, seam ripper, pencil, pins, pincushion, and any other sewing supplies you like to use. If you bring a small travel iron and pressing pad, it will simplify things for you. Ben Franklin will also have irons and ironing boards available for you to use.

NOTE: Please cut your fabrics before coming to class. Cutting directions are found in the pattern. Bring your leftover fabric to class. I will teach you how to add a pocket to the bag that isn't included in the pattern. If you have questions about cutting, bring your fabrics to class, and we will cut there.

If you have any questions, feel free to text me at 206-388-9534 or email me at one4sunfun@comast.net.
