## Styrofoam Egg Bunny

*designed by Rita Fleehart*

### Supplies:

Styrofoam Egg 2 1/2 in. long  
Two 10 mm pink pom-poms  
One 1/4 in. black pom-pom  
Two 8 mm wiggle eyes  
White bump chenille  
Craft Glue  
Acrylic paint (color of choice)  
Sharpie pen or black dimensional fabric paint

### INSTRUCTIONS

1. Sit egg on table large end down, press against table to flatten bottom so it sits by itself. Paint egg with acrylic paint, color of choice, let dry.
2. Cut two bumps for each ear from chenille, fold in half and glue open ends into egg about 1/2 in. from tip.
3. Glue pink pom-poms on for cheeks about half way down. Glue black pom-pom for nose between tops of cheeks. Glue eyes above cheeks. Mouth can be made with a Sharpie pen or with black dimensional fabric paint.
