*Let us take time today to remember and honor those who bravely fought for us
and died protecting us. We are free today because of their sacrifice.
In their memory, let us celebrate Memorial Day!*

*Our American Flag - Display it with honor!
The first fold of our flag is a symbol of life.
The second fold is a symbol of our belief in the
eternal life. The third fold is made in honor
and remembrance of the veteran departing
who gave their life to defend our country.*
