We all know someone or maybe even have a loved one in our military services. By creating and donating a quilt you are giving comfort, compassion, hope, and thanks to these amazing souls who have been injured in the line of duty serving our country.

Your Quilts Make a Difference!

ACCEPTING DONATIONS

**Visit our fabric department for more information
& quilt specifications or go to**

<http://americanheroquilts.com/how-you-can-help/>

All quilts are donated to "American Hero Quilts" foundation who has collectively in 19 years distributed thousands of quilts to injured soldiers.

Here are some of the responses from a couple heroes who received a quilt from American Hero Quilts:

..."A couple of weeks ago I was to receive my Purple Heart. Before they gave it to me they gave me a blanket made by you. I thought that was the best show of thanks and appreciation a person could do.....It means a lot to me to

know that someone is willing to show their support to our troops in a way that is so personal and caring. It will be a treasure me and my family to cherish for the rest of our lives. Thank you again and God Bless"
