

Star Studded

2025 Saturday Sampler

Quilter's Corner at Ben Franklin- Monroe

June 6, 2025

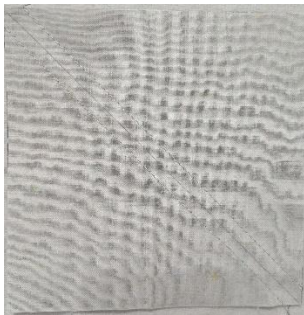

Step 1

Cut your template. I just cut it out of the paper and used that as is. I didn't cut one out of template plastic. I wanted it to be as accurate as possible. Cut your dk. grey pieces from the template.

Step 2

Make your half square triangles. Draw a diagonal line on the backside of the white and lt. grey squares. Layer these with a black square right sides together and sew $\frac{1}{4}$ " on each side of the drawn line.

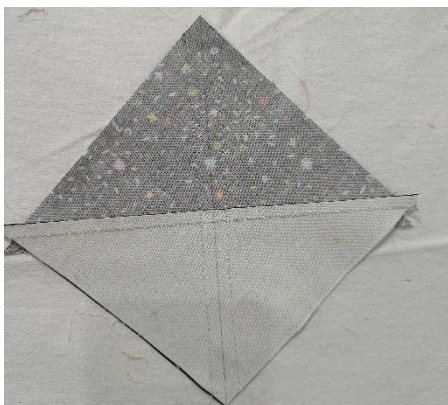

cut on the drawn line and press to the dark do not trim

Step 3

Draw a diagonal line on the backside of the white background half squares. Take a white background square and a grey background square and layer right sides together with black on opposite sides.

Sew on each side of the drawn line. Cut on the line and press your seam open.

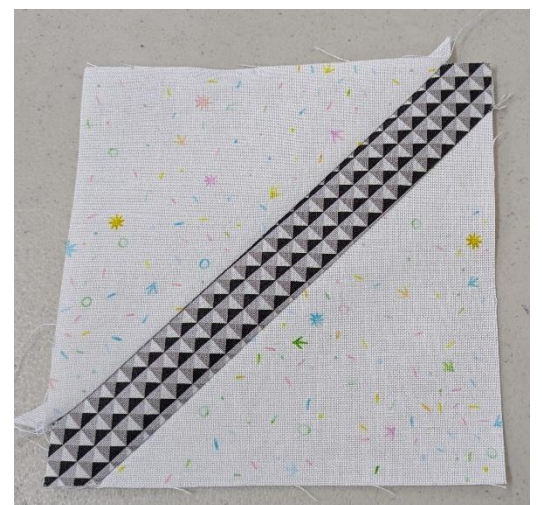

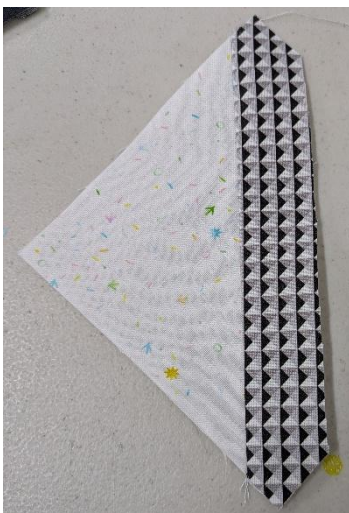

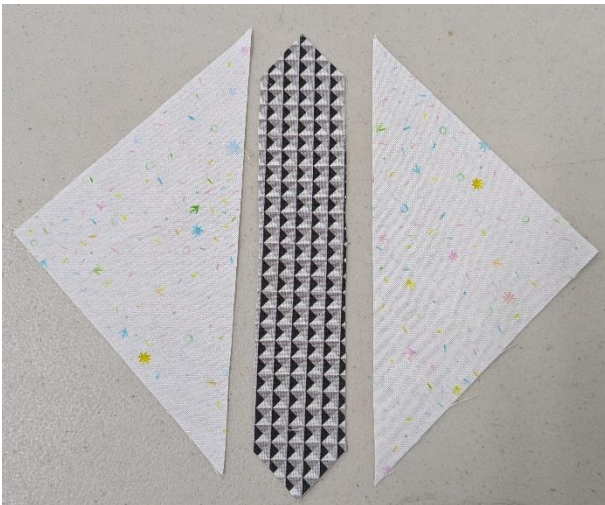

Trim

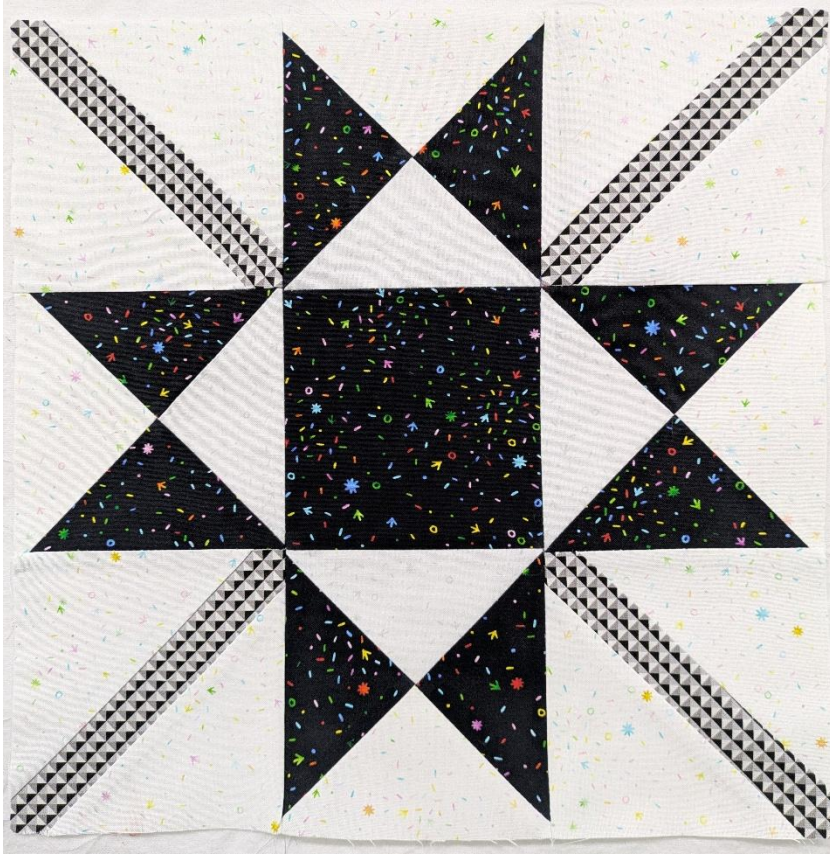

Step 5

Cut your white squares in half diagonally. Sew the dk. grey strip to one side. I just eyeballed the strip and sewed it on. If you would like to be super precise fold your triangle in half and press to crease and your strip in half and press to crease. Match the fold lines and stitch. Press towards the center strip. Repeat for the other side.

Step 6

Sew your blocks together in rows then sew your rows together. I pressed the top and bottom rows towards the center and the middle row away from the center.
