

## Star Studded

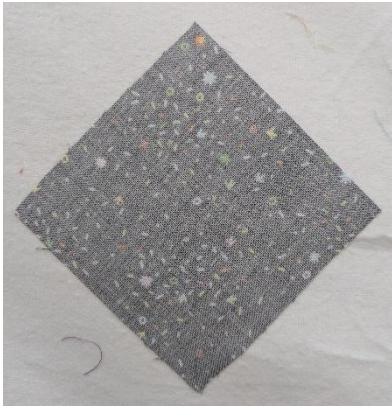

2025 Saturday Sampler

Quilter's Corner at Ben Franklin- Monroe

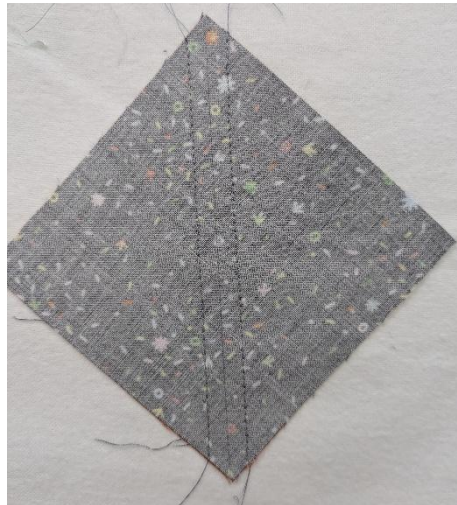

June 28, 2025

### Step 1

You are making the same block in your 8 colors. The half square triangles will be made with your dark fabric from each colorway and the inner triangles will be made with the light fabric from that colorway.

Draw a diagonal line on the back of 24 of your black squares. Pair 3 of those squares up with 3 dark fabrics from your first colorway.

Sew  $\frac{1}{4}$ " on each side of your drawn line. Cut on the line and press towards the black fabric.

### Step 2

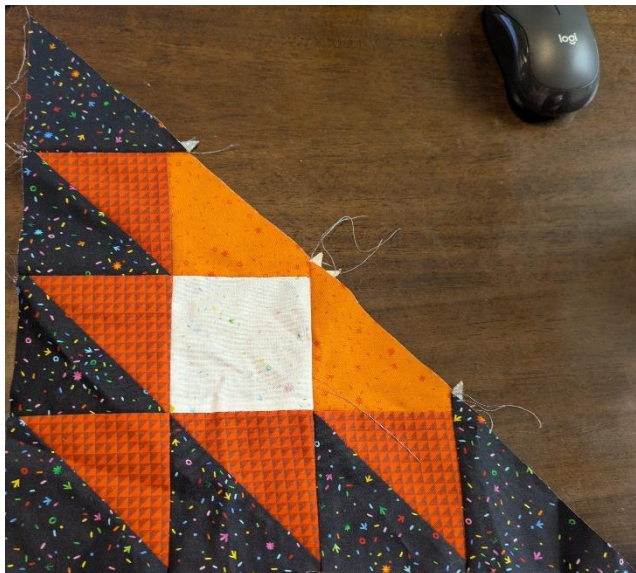

Arrange your half squares, your white square and your light triangles in the order shown.

### Step 3

Sew your pieces together in rows. Alternate your pressing so the top and bottom rows are pressed the same direction and the center row is pressed the opposite direction.

Sew your rows together. They should nestle together.

Repeat for the other colorways
